**PETITION UNDER 37 C.F.R. § 1.182
TO CORRECT THE TERMINAL DISCLAIMER**

Commissioner for Patents
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant's Representative noticed prior to filing a Divisional Application in the present case that the Terminal Disclaimer submitted September 27, 2004 and approved by the PTO was in need of correction. The original Terminal Disclaimer references an assignment, recorded on December 29, 2003 at Reel 014845, Frame 0119. Careful review of this assignment revealed that this was a discharge from a security interest. Accordingly, although Allied Photochemical, Inc. was at all relevant times the owner of all rights (in fact) in the present application, the original Terminal Disclaimer does not provide a sufficient reference to the appropriate assignments to verify this.

Applicant's Representative reviewed the file for the present case and could not find an assignment from the inventors. Similarly, a search of the Patent Office's PAIR system also did not reveal an assignment from the inventors. An assignment from the inventors was executed and recorded on February 25, 2005. A new Terminal Disclaimer is filed herewith
